

Ed Tech Procurement Done Right

JourneyEd is “The EDU Techstore” with the largest selection of education priced products for school technology buyers. Your school gets convenient access to over 100,000 software, hardware & IT network solutions as well as other value add services. In addition, a dedicated account management team is available to ensure you get the highest level of customer support and service.

VALUE-ADD SERVICES

IT on Demand

IT on Demand services can be invaluable. Outsourcing IT to a trusted provider, schools enjoy a wide range of benefits, including 24/7 support, reduced downtime, and access to the latest technology. Schools can focus on what they do best – educating their students – while leaving the technical details to the experts.

eProcurement

We can integrate with an existing Jaggaer integration or other CXML based systems such as Ariba, SAP, Coupa to provide access to over your products. This is the perfect solution for schools that have an existing ERP procurement system.

Technology Financing

When managing technology resources across the entire product lifecycle, leasing can provide an efficient, effective way to maximize the return from IT assets, while minimizing risk and aggressively managing costs. JourneyEd offers technology financing solutions that fit almost any school's budget and technology plan.

- **Brand/product neutral financing**
- **Fair market value & lease-to-own structuring**
- **Deferred and flexible payments**

Extended Support/Warranties

We provide enhanced product protection for almost everything we sell. Our plans give you options like faster response times, coverage for accidental damage, and even on-site repairs. With our tailored maintenance contracts, you'll have experts ready to help, plus agreements that ensure quick fixes or replacements, so your equipment—and your business—keeps running smoothly.

Purchasing Cooperatives

We have contracts with many purchasing cooperatives across the nation providing schools with the best EdTech products.

Nationwide Coops: BuyBoard, Choice Partners, TIPS, NCPA

State Coops: ILTPP, IEC, Greenbush, AIKCU, MASSCUE, NJECC, NDESC Goodbuy, TCCTA, Texas DIR, ESUCC, CICU, AICUP, IU13, CIVC, and WTCS

Professional Development

Investing in Professional Development can empower learning. Don't just train with tools, learn how to integrate those tools into your curriculum and how to work with your myriad other tools.
